

HOPETOWN PRAYER

**Good morning, Lord, this is Your day.
I am Your child, show me the way.
We woke up this morning ready to serve.
We are Your men, Lord, give us the nerve.
Lord, we are here to laugh and to play.
We are Your daughters, beside You we'll stay.
The day is new like You made us.
We're in our boats, in You we trust.
We paddle and float amongst the waves.
You're here in our boats, in You we praise.
Hello dear God, I feel alive.
Let's take on this day, side by side.**
